

Using Report-Link at www.melinkcorp.com

1. Go To www.melinkcorp.com
2. Select the Melink T&B Tab
3. Select Report-Link

4. Log into Report-Link
 - a) Existing Customers
 - i. Enter Email address and password
 - ii. Click “Log In” box
 - b) New Customers
 - i. Enter information in boxes provided to create a new profile.
 - ii. Click on “Create Profile” box
 - iii. Melink will authorize the account and send an email. This is typically done in less than two business days.

5. This site uses pop-ups that may require you to change your internet security settings. See the last page of this document for instructions if you have problems with blocked pop-ups or problems downloading the report.

6. Enter your search criteria.

- a) For “Keyword” you can enter “Bob” or “Bob Evans”
- b) If you are interested in a particular city, state or store ID, enter that information.
- c) When you’ve entered all your criteria, click on FIND REPORT.

NOTE: It is recommended that you limit your search criteria to a minimum due to the possibility of mismatching information (i.e., Store ID (unit number) not matching city or state).

- d) You will get a listing of the jobs that match your criteria.

8. Viewing your reports
 - a) When you find the report you wish to review, click on the city name to view the report.

9. Once you view the report, you have the option of saving, printing or emailing it.

How to always allow Pop-Ups from our site:

1. Open Internet Explorer
2. Browse to 'reports.melinkcorp.com'.
3. Click the Information Bar.
4. Click Always Allow Pop-ups from This Site.
5. You will be prompted with the following message:
Would you like to allow pop-ups from 'reports.melinkcorp.com'?
6. Click Yes.

How to update security settings for our site:

1. In Internet Explorer, click Tools, and then click Internet Options.
2. Click the Security tab.
3. There are four security zones listed:
 - Internet
 - Local intranet
 - Trusted sites
 - Restricted sites
4. Click the zone where you want to change the settings.
5. Under Security level for this zone, click Custom Level.
6. Under Downloads, under Automatic prompting for file downloads, click Disable or click Enable (opposite of what is currently selected), and then click OK two times.
